1. Acronyms

ITI- Industrial Training Institute

CTS- Craftsmen Training Scheme

MSDE- Ministry of Skill Development and Entrepreneurship

DGT – Directorate General of Training

PRN- Permanent Registration Number

2. Introduction

The Craftsmen Training Scheme (CTS) trainee lifecycle is currently managed on the NCVTMIS portal by Directorate General of Training (DGT). This portal needs to be upgraded to the latest technology. Therefore, the Directorate General of Training (DGT), Ministry of Skill Development and Entrepreneurship (MSDE) is in the process of designing, developing, and commissioning a new tech-driven platform, Skill India Digital, to oversee the CTS trainee lifecycle.

3. Intended Audience

All stakeholders including Trainees for the purpose of CTS Admission.

4. System Requirements

You can access Skill India Digital from various devices and platforms, on both PC and Mac desktops/laptops.

a. Minimum system requirements

- Browser: Google Chrome (latest version), Firefox, Safari, Edge, or Opera for desktop/laptop
- A broadband/mobile internet connection with good speed

b. PC specific requirements

- Platform: Windows 8.1 or higher with the latest updates installed
- RAM: 4GB or more
- Video: Graphics output capability
- Sound: Sound output capability

c. Mac specific requirements

- Platform: Mac OS X 10.12 or higher with the latest updates installed

- RAM: 4GB or more
- Video: Graphics output capability
- Sound: Sound output capability

To complete the process of registration on Skill India Digital and to further complete the admission process of ITI for permanent registration number generation please make sure to come through the link received on email and SMS.

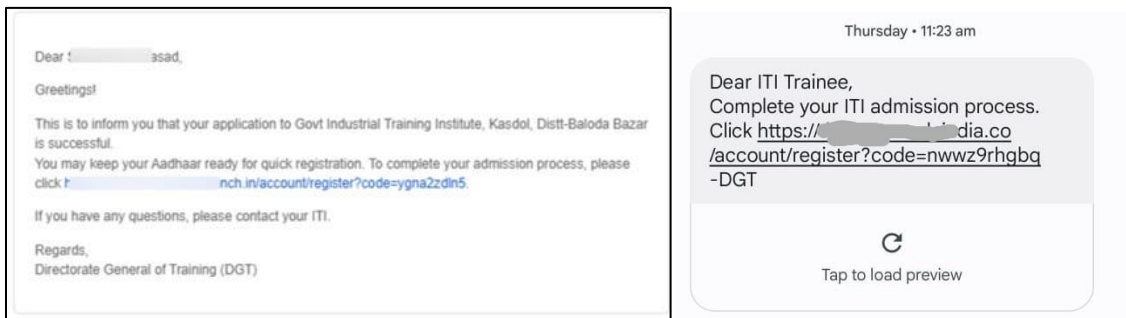

ITI Trainees Admission flow

For trainees records submitted by States successfully on Skill India Digital without Aadhaar number

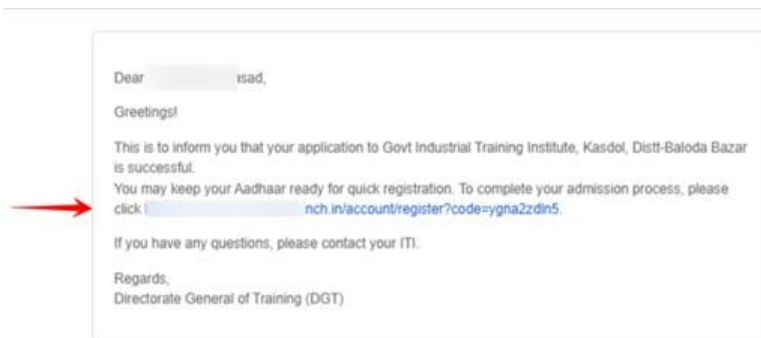

Process for Trainees coming on Skill India Digital for the first time

5. How to confirm your registration as ITI Trainee in Skill India Digital coming on it the for the first time?

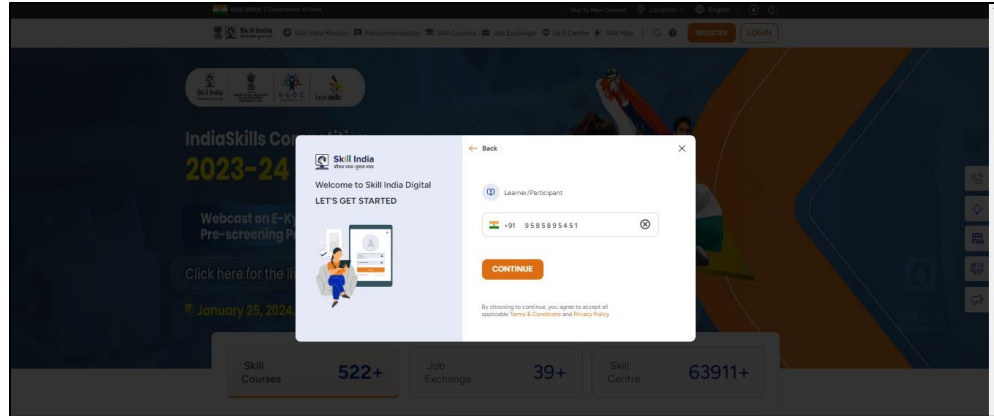

- a. You will receive a link through text message (on the mobile number as provided with your admission data) and email (on the email ID as provided with your admission data) to confirm your registration on Skill India Digital. The above mobile number and email ID are referred as REGISTERED mobile number/email ID.

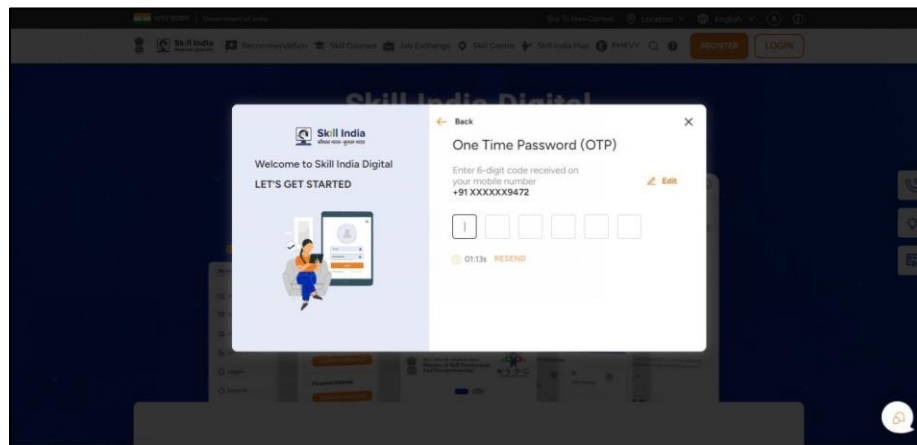

- b. Click on the link provided either in email or SMS received. This will take you to Skill India Digital.

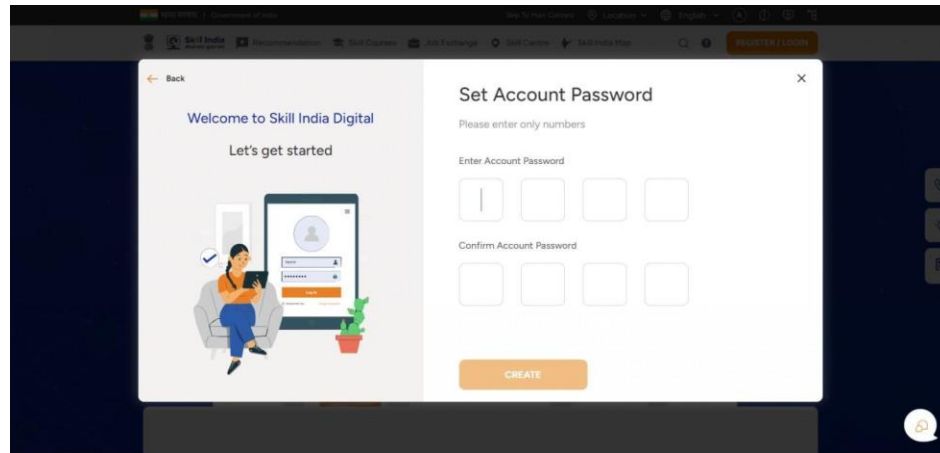

- c. You will be able to view the pre-filled mobile number submitted with the admission data to complete the process. Click on the “CONTINUE” button

- d. Enter the One Time Password (OTP) received on your registered mobile number submitted with the admission data.

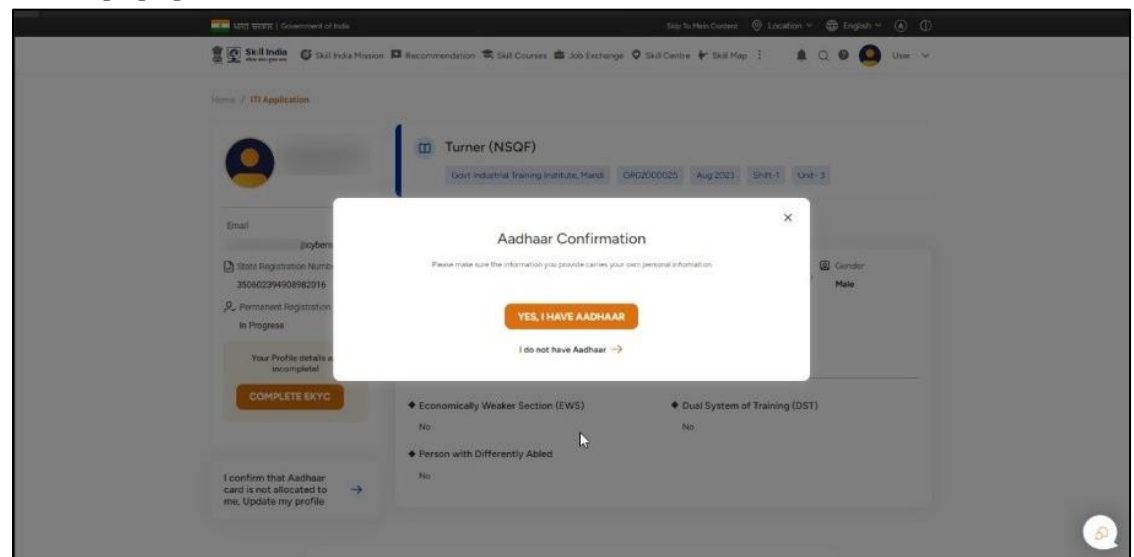

- e. On the next screen you will be asked to **Set Account Password**. Enter a four-digit number of your choice as password, reenter the same password again under **Confirm Account Password**. Click on the “CREATE” button. (Note down /remember your password for future use)

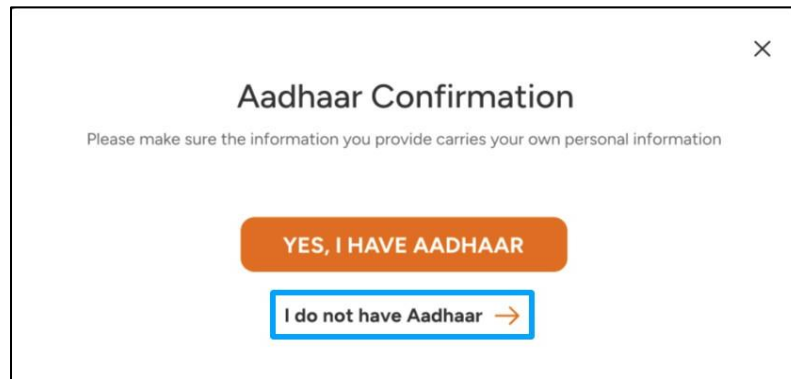

Once this login process on Skill India Digital is completed, you will be registered successfully on Skill India Digital. Next, please complete your admission process to receive the Permanent Registration Number on Skill India Digital.

- f. After successful login in Skill India Digital, you will be able to see Aadhaar Confirmation popup

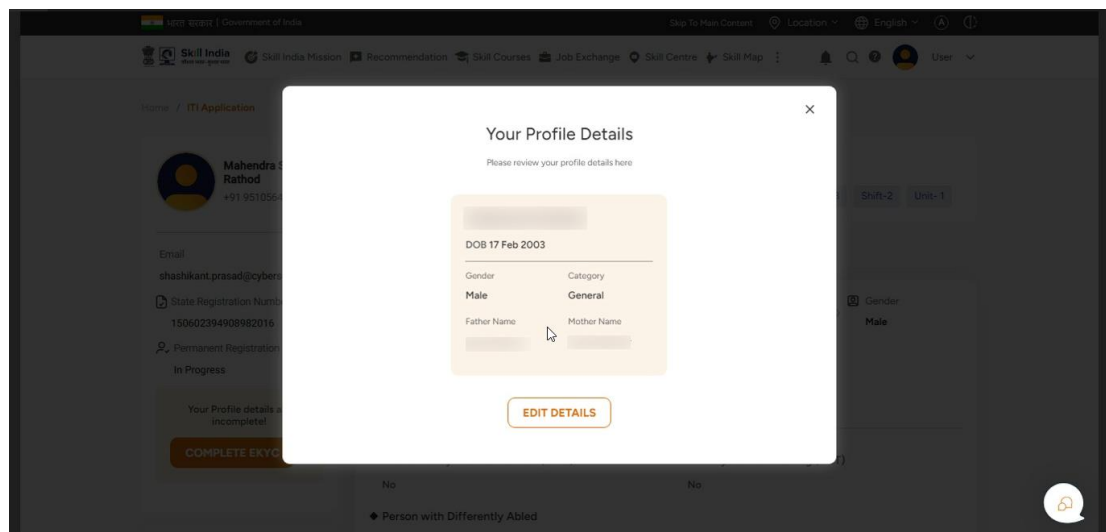

6. **CASE I (a): If you Click “Yes, I do not have Aadhaar” and sent for state approval for Permanent Registration Number generation**

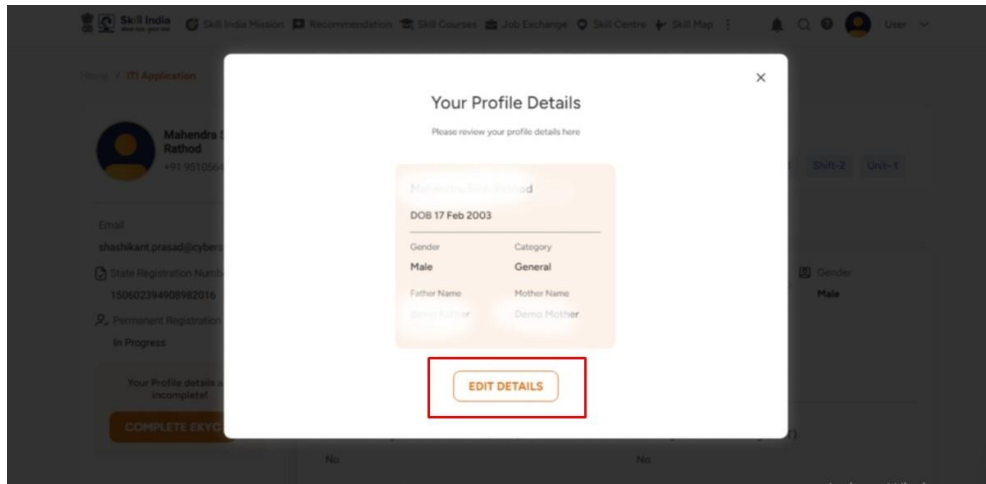

a. Click on “I do not have Aadhaar” button.

b. You will be able to see Your Profile Details

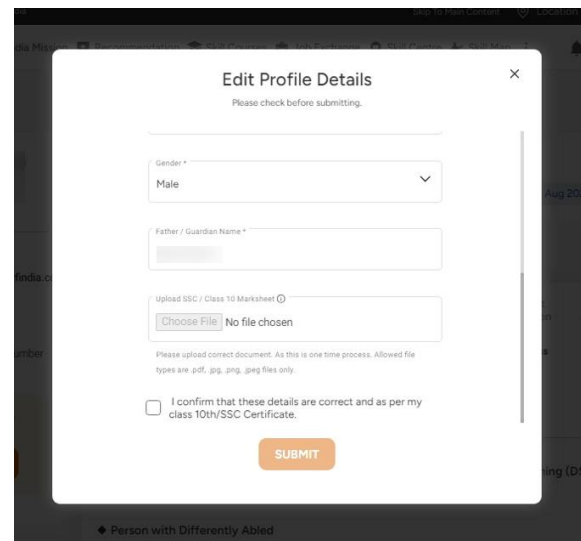

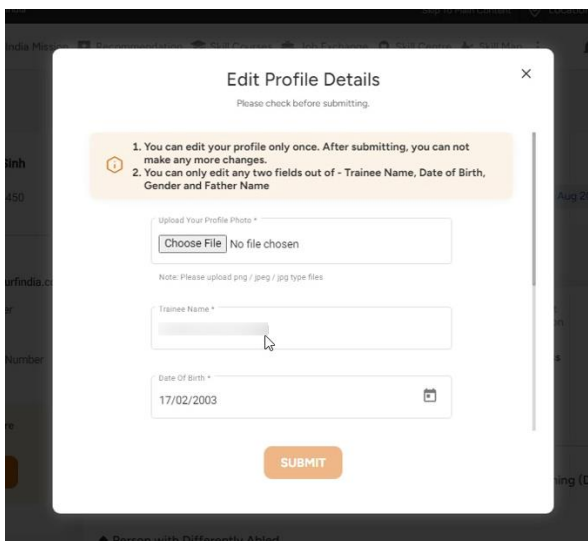

c. Click on “EDIT DETAILS” button to edit your profile details

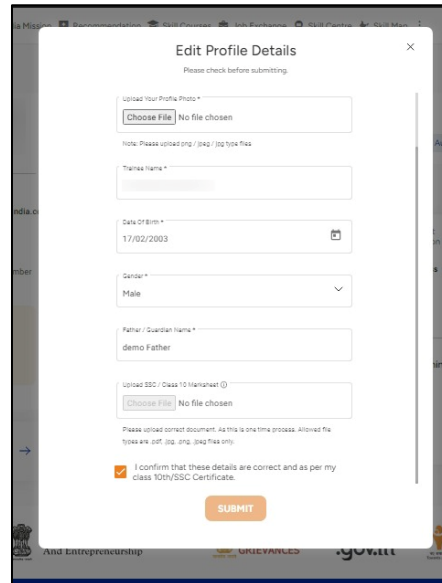

d. Once “EDIT DETAILS” button is clicked, the profile will open for editing.

Please note, you will get only one chance to edit your profile. Once submitted, you will not be able to make any changes. Uploading profile photo is mandatory and if you want to edit other profile details then only 2 fields are allowed.

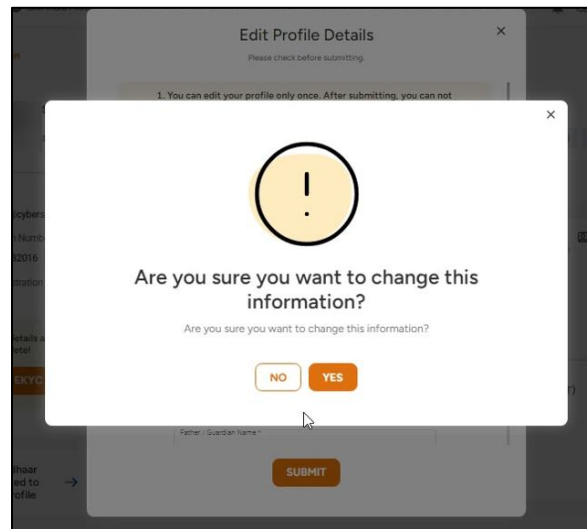

In case, any one or two fields profile details are edited, then you will have to mandatorily submit class 10th Class/SSC Certificate or School leaving Certificate. Further, click checkbox below for providing consent that all the information is as per the submitted certificate for approval of State.

- e. Check on “I confirm that these details are correct and as per my class 10th/SSC Certificate”.

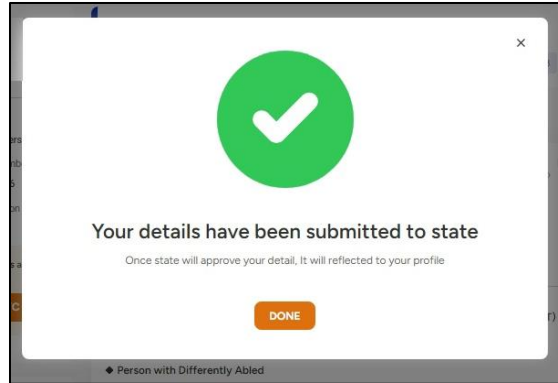

The screenshot shows a web form titled "Edit Profile Details" with a close button (X) in the top right corner. Below the title is the instruction "Please check before submitting". The form contains several input fields: "Upload Your Profile Photo" with a "Choose File" button and "No file chosen" text; "Name" with a text input field; "Date of Birth" with a date picker showing "17/02/2003"; "Gender" with a dropdown menu showing "Male"; and "Father / Guardian Name" with a text input field showing "demo Father". There are two more "Choose File" buttons for uploading documents, both with "No file chosen" text. Below these is a note: "Please upload correct document as this is one time process. Allowed file types are .pdf, .jpg, .png, .jpeg files only". A checkbox is checked, with the text "I confirm that these details are correct and as per my class 10th/SSC Certificate." Below the checkbox is a "SUBMIT" button.

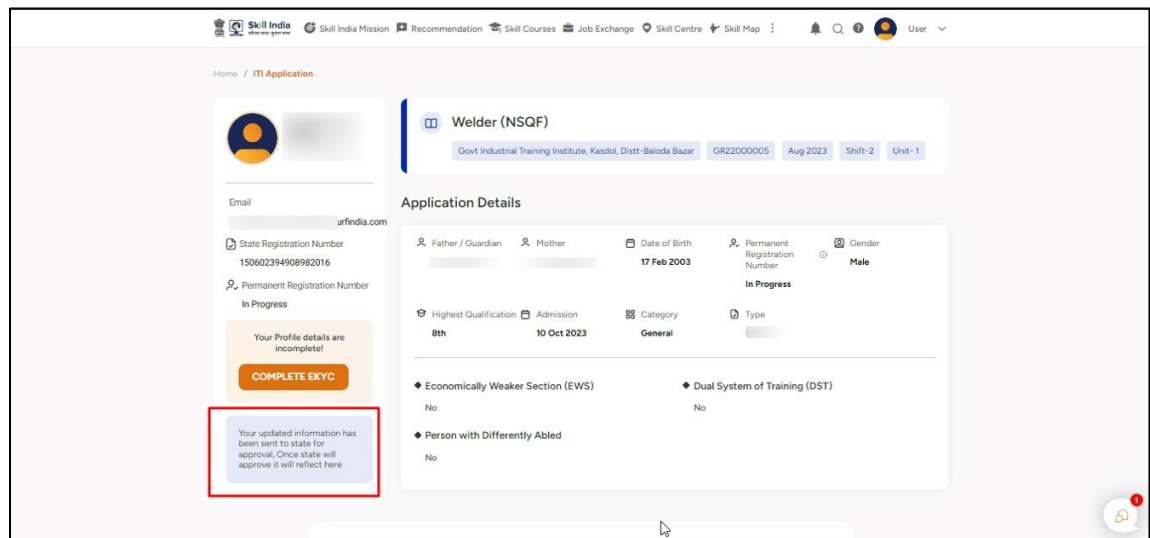

- f. After Clicking on SUBMIT button you will get confirmation popup with message “Are you sure you want to change this information?” Please note, after submitting, you will not be able to make any changes.

- g. By clicking “YES” your details have been submitted to State for approval.

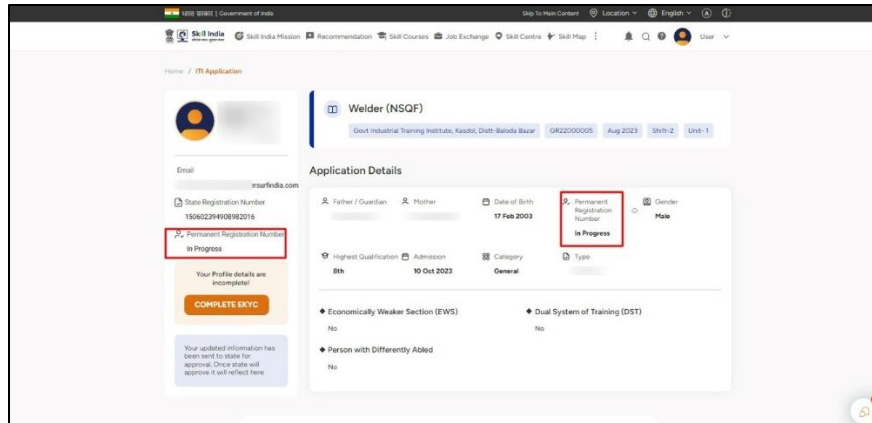

- h. After this, you will be able to view your ITI application dashboard with the information submitted by your State. Once your profile edited details are approved by State same will be reflected in this ITI Application dashboard.

The information below shows that **“Your updated information has been sent to state for approval. Once state will approve it will reflect here”** when your profile will be under state approval stage.

- i. The Permanent Registration Number will remain in progress until approval from state is not provided.
